I have followed Kimberly Snyder since her first book, The Beauty Detox Solution: Eat Your Way to Radiant Skin, Renewed Energy and the Body You've Always Wanted. When I read that book, it honest-to-God changed my life. I was pregnant with my second child--so, not a good time for radical dietary changes--but I did manage to make a few adjustments to my diet that helped me legitimately FEEL better on a day-to-day basis. For example, I ate less dairy, I ate fruit on an empty stomach, I made sure to eat veggies before each meal, and I upped my green vegetable intake considerably.

Because of her recommendations, my last two pregnancies were heartburn-free! Despite the fact that Snyder's second book, *The Beauty Detox Foods: Discover the Top 50 Beauty Foods That Will Transform Your Body and Reveal a More Beautiful You*, didn't really wow me, I was very eager to read her third book, *The Beauty Detox Power*. I didn't know what to expect, honestly. Would it be more of the same? Could she really add anything new to the conversation she started in *Beauty Detox Solution*? Well, within the first few pages of this book, I knew it was something different, something special even. This book is much more personal than her other two. She still follows the same format of sharing client stories throughout in order to illustrate her points, yes.

I have Kimberly Snyder's second book *The Beauty Detox Foods: Discover the Top 50 Beauty Foods That Will Transform Your Body and Reveal a More Beautiful You* and just love it, and so I was excited to receive an advance copy of this new book as part of 's Vine program since I was going to buy it anyway. Whether you're new to Kimberly's philosophies or already familiar with them, you'll find a lot of new, interesting information in this third book of hers. The overall focus is not so much on specific recipes, but rather on cultivating happiness and beauty in all aspects of our lives.
