Customer Reviews

Love the sayings in these books, they bring you closer to nature.Bought one for a trip which I wrote in and added postcards and photos.Have since bought two more of a different theme.Lovely paper to write on.

Beautiful journal! I look forward to using it every day! It is a great book for anyone looking to connect with yourself and nature!

Did not like it at all. Not at all what I expected, and the condition was poor. My other journals look new.

Beautiful journal.
