Groundcovers For The South

Synopsis

Master Gardener Marie Harrison discusses various kinds of plants that can be used as groundcovers, from perennials and herbs to shrubs and native plants. Illustrated with color photographs and line drawings throughout.

Customer Reviews

I've read this book twice and given it to my son to read. It's funny, informative and sometimes frightening. Run the psycopath checkliston Donald Trump. I scored him 18 out of 20.

This is a good guide for beginners. The growing seasons are very diverse and we have so many soil "types". Wonderful guide though.
