Customer Reviews

This cookbook is amazing, and I cannot believe that for such an awesome book, it only cost me \$1.06 through Prime. I have collected several cookbooks through the years, but never purchased one with recipes only for sandwiches. The mouth-watering recipes include simple ingredients, easy-to-read directions, and additional directions on how to make specific sauces. Thus far, we made the: Pesto Grilled Sandwich; The Croque-Monsieur; and The Onion Confit Grilled. The Croque-Monsieur is a Grilled Cheese And Ham Sandwich, which is absolutely delicious. They were all very tasty, and filling. Our new list is made for next week which includes: The Spicy Ham

Cheese; The Grilled Zucchini; The Provolone Pesto; and The Tuna Melt Panini. We are anxious to try these, and already learned that this book does not disappoint. Other delicious recipes include: Greek Style Grilled; Spicy Grilled Cheese; Red Onion And Pickle; Turkey Avocado; Bacon And Egg Grilled; Caprese Grilled; BBQ Grilled; Croque-Madame; Grilled Ham And Pineapple Panini; Roasted Garlic And Gruyere Cheese; Triple Cheese; Italian Cheese Panini; Grilled Chicken And Mozzarella Panini; Grilled Tomato And Bacon Panini; BBQ Turkey And Cheese; and more. I have never tasted sandwiches so delicious until now, and am so glad I found this book. What a fantastic bargain, and if you make one of these tasty sandwiches for a guest, they will indeed be impressed. I will be ordering copies of this book to gift to family, and friends. Highly recommended!

I am going have to get out the sandwich grill (I know the real term but the stupid spell check suddenly turned on and keeps suggesting other words.). The smoked Turkey and broccoli sounds fantastic and I can't wait for my next grocery store trip to pick up a can of artichokes to try the grilled artichoke sandwich I saw. The recipes are straight forward and look easy to follow. I would definitely recommend this book to anyone looking for some good recipes for a comfort food night. A grilled sandwich from this book, a movie on the tv, and good company would make some great memories.

When you are hot, tired or just plain broke a grilled cheese sandwich will solve most of these problems -- hopefully. Grilled cheese sandwiches are easy to make too adding to their appeal. The Top 50 Most Delicious Grilled Cheese Sandwiches & Panini Recipes cookbook contains plenty of comfort food as you will find some of the following recipes: Croque-Madame, Onion Confit Grilled Sandwich, Triple Cheese Sandwich, Artichoke Grilled Panini, Tuna Melt Panini. There is an active table of contents making navigation easy. Recommend.

Prepare the best snacks and lunch for your kids with the amazing recipes in this book. You simply must try the roasted garlic and gruyere cheese sandwich. That was a major hit for my family. Also another favorite is the Onion confit. Love the recipes! yummy

Interesting combinations. Not a whole lot but ample ideas for good lunch variety. Works very well with a simple frying pan... better yet a cast iron skillet.

Yummy delicious grilled sandwiches. This has definitely upped my game on grilled cheese and just made me the best dad in the world.

I liked some of the new and interesting combinations of flavours in this book. The instructions are easy to follow and it will be a handy book for me to reach to when there are unexpected guests whose appetites need filling.
