This kind of book is published once in a while. I was totally unaware of south beach diet until I read this book! I found this very helpful for my wife and she has already started seeing visible improvements! Must read bookCheersPrince

Nice ripoff of a trademarked diet book. You know you can't legally use "South Beach Diet" in your title since it's trademarked. Not cool and illegal. I'm surprised Dr. Arthur Agatston has not sued this "author" yet... I'm sure it's coming.
